

CREATE AND CONFIGURE IBM CLOUD SERVICES

Team ID	PNT2022TMID32979
Project Name	Signs with Smart Connectivity for Better Road Safety

CREATE IBM WATSON IOT PLATFORM AND DEVICE :

The screenshot displays the IBM Watson IoT Platform interface. The top navigation bar includes 'Service Details - IBM Cloud' and 'IBM Watson IoT Platform'. The main header shows the user's email '820419106012@smartinternz.com' and ID 'q9m316'. The left sidebar contains various icons for navigation. The main content area is titled 'Browse Devices' and includes tabs for 'All Devices' and 'Diagnose'. A descriptive text states: 'This table shows a summary of all devices that have been added. It can be filtered, organized, and searched on using different criteria. To get started, you can add devices by using the Add Device button, or by using API.' Below this is a search bar 'Search by Device ID' and a 'Device Simulator' toggle. The table lists the following devices:

Device ID	Status	Device Type	Class ID	Date Added
1234	Disconnected	abcd	Device	Nov 13, 2022 8:13 PM
abcd_1	Connected	abcd	Device	Nov 13, 2022 8:15 PM

At the bottom left, it says 'Items per page 50 | 1-2 of 2 items'. A tooltip at the bottom right indicates '1 Simulation running'.
